

Journey To Excellence

S.J.S.D. Continuous School Improvement Plan

2007-2012

“The Journey to Excellence” is the title of the School District of St. Joseph’s long-range plan. The District's formal long-range planning began in 1988 when the Board of Education adopted a Mission Statement, Belief Statements, and established goals and objectives for the District. The long-range planning process was reviewed and overhauled during the 1992-93 school year. The Mission Statement was updated in January 2003, and reaffirmed in 2007. The Goals were updated in June 2007; the individual School Improvement Plans are updated annually.
